CHRIS RHEA

Client Analyst

Chris Rhea joined Laird Norton Wealth Management in 2006 and is a client analyst. In his current role, Chris helps clients implement well-rounded financial strategies in the most efficient and effective way possible.

With more than a decade of experience in financial and investment management, Chris provides clients with a big-picture perspective on their finances while also taking care of the myriad details.

As an LNWM client analyst, Chris is involved in all aspects of client account management and financial planning. His duties include working closely with LNWM client advisors to create, implement and monitor client financial plans, to maintain the appropriate asset allocation strategy within client portfolios, and to propose solutions that enhance the overall client relationship.

Chris has a Bachelor of Science degree in information systems/business from Walla Walla University and is passionate about using technology to constantly improve the service provided to clients.
