WEALTH MANAGEMENT

JEANNE GOUSSEV

Senior Director, Fiduciary Development

Jeanne Goussev joined Laird Norton Wealth Management in 2016 and is senior director, fiduciary development. Bringing to her work more than two decades of experience in trusts and wealth planning, Jeanne oversees LNWM's fiduciary team and manages our largest trust relationships. She is frequently sought out for her expertise on a wide variety of estate, philanthropic and tax planning matters. She is passionate about working at LNWM and the alignment between advising multiple generations within

families on behalf of a firm that has been family owned for more than 50 years.

Prior to joining LNWM, Jeanne was managing director, client service at Threshold Group (now Tiedemann Advisors) and a member of the firm's Executive Committee. Previously, she was a vice president, client advisor at Whittier Trust Company and a senior trust officer at U.S. Trust/Bank of America Private Wealth Management.

Jeanne graduated from Bowdoin College, earned a Juris Doctor degree from Suffolk University Law School and is a Certified Trust and Financial Advisor, as well as an Accredited Estate Planner.

Throughout her career, she has been a strong advocate for regional nonprofits doing vital work. She is a board member of the Seattle Children's Hospital and Research Foundation and Chair of the Seattle Children's Hospital Legacy Advisor Council (as of June 2020). In 2018, Jeanne received the Champion for Children's award in recognition of her outstanding work on community outreach on behalf of Seattle Children's hospital and her efforts to promote philanthropic planning in order to advance pediatric medicine.

Jeanne serves on the board of the Northwest Maritime Center and is on the board of trustees for Leave10, a nonprofit that encourages Puget Sound-area residents to leave at least 10 percent of their estates to charity. She is an active member of the the Washington Women's Foundation.

An avid sailor, Jeanne was captain of a women's sailing team that in 2018 won the Race to Alaska – a 750-mile, unsupported race to Ketchikan. Her team was the first monohull and the first all-women team to win the race.
