WEALTH MANAGEMENT

## ROBERT TRINCHET

Director, Information Technology

Robert Trinchet joined Laird Norton Wealth Management in 2019 and is director, information technology. He is responsible for ensuring that LNWM's IT systems and procedures are not only best-in-class but also provide clients with the best possible user experience. On an ongoing basis, Robert and his team implement IT solutions that keep LNWM client information secure and enhance account management, analysis and reporting. With more than a decade of experience in IT and financial services, Robert is well-suited to be data-keeper at a firm that seeks customized

solutions to problems, be they financial or technical in nature.

Prior to joining LNWM, Robert served as VP of Private Wealth Technology Operations at SunTrust and as the Chief Information Officer at GenSpring Family Offices. Before that, he held technology leadership roles at Kaiser Permanente, Cigna Health and the Chicago Tribune. Robert holds a Bachelor of Science in Electrical and Computer Engineering from the University of Miami and an MBA (concentration technology management) from the University of Phoenix.
