TERI LAMAR

Senior Director, Client Services

Teri LaMar is senior director, client services at Laird Norton Wealth Management. She has 30 years of experience helping high-net-worth individuals, families, and private foundations achieve their goals by making the most of all their assets, both financial and non-financial. Teri has worked with some client families for more than 25 years and is especially adept at providing guidance and education for the younger generations on the benefits and responsibilities of wealth. Although Teri greatly enjoys working with a wide variety of clients, a special interest for her is advising women on their finances, leading to a sense of control, better decisions and peace of mind.

Before joining Laird Norton Wealth Management (LNWM), Teri was a client advisor and member of the investment committee at Filament LLC, a wealth advisory firm that merged with Laird Norton Wealth Management in December 2020. Teri has a Master's in Finance from Seattle University and a BA (magna cum laude) in Business Administration from Seattle Pacific University. She serves on the Planned Giving Council for Swedish Hospital.
