TONYE WOKOMA

Client Analyst

Tonye joined Laird Norton Wealth Management in 2018 and currently serves as a Client Analyst. With more than a decade of experience in the financial services industry, Tonye has worked with a wide variety of clients, including high-net-worth individuals and families, corporate pension funds, and foundations and endowments. To each of his client relationships, Tonye brings an ability to listen carefully and to then put in place financial and investment plans that are comprehensive, integrated and fully aligned with client goals.

At LNWM, Tonye's responsibilities include working closely with LNWM client advisors to create, implement and monitor client financial plans, to provide asset allocation analysis for client portfolios, and to propose solutions that enhance the overall client relationship. Prior to joining LNWM, he served as a Senior Consulting Associate at Verus Investments in Seattle and Segal Marco Advisors in New York. At these firms, Tonye worked alongside institutional investment consultants to optimize client portfolios and identified custom solutions to meet their investment needs. In addition, he researched and analyzed investment managers across many different asset classes and disciplines, including socially responsible investing. Before that, Tonye worked for two years at New England Pension Consultants as a Portfolio Analyst, and two years at State Street as a Mutual Fund Accountant.

Tonye has a Bachelor of Science in Business Administration from Northeastern University in Boston. He is currently studying to earn the Chartered Financial Analyst designation.
